DEDICATED TO ALL THOSE WHO WORK ON AFRICAN FILMS AND SUPPORT THE GROWTH AND DEVELOPMENT OF AFRICAN CINEMA

Filmmakers, actors, and actresses, are the "stars" of African cinema. But without film crews and film technicians, films would not be made. And without support from film clubs, filmmakers' and other professional organizations, and film festivals that promote African films and facilitate professional contacts, African cinema would not be growing at a steady pace. This work is dedicated especially to all those who work behind the scenes to make African cinema a reality.

FILMMAKER INDEX

This index includes interviews, works about filmmakers, commentaries and assessments of their work. It includes reviews of films only if they include information about the filmmaker. See Film Title Index for reviews of specific films. This index must be used with the Film Title Index to assemble all entries on filmmakers and their films. This index does not include the names of all filmmakers whose films are listed in the Film Title Index, since films are frequently reviewed or mentioned without any information being provided on the filmmaker.
